
HEDGEHOG MUSIC SHOWCASE SCHEDULE FOR 2014-2015 (PARTIAL LISTING)

Sat., Dec. 13 7:00 PM Jam Night / Open Stage

Scheduled to appear are Jim Barnhill & Larry Grabb, Joe O'Connor, Bob Foster, and others. No admission charge, however, free will donations are greatly appreciated to offset expenses. If you have talent, come and join in; or just come and listen.

Sat., Dec. 20 7:00 PM Victor & Penny

The duo of Victor and Penny will have you smiling on the very first tune. They refer to their music as "antique pop". The instant I heard them on YouTube, I just had to schedule them at the Hedgehog. Energetic, toe-tapping, and just plain sweet! (\$20) This show will make a great Christmas gift for any music lover.

Sat., Jan. 10 7:00 PM Tim Coffey & Elk Ridge

Tim Coffey of the Coffey Brothers is back with his new bluegrass band Elk Ridge. Even though they are good enough to charge twice the price of admission, we are offering the special price of just \$10 to all who want to come and listen to great bluegrass.

Fri., Jan. 23 7:30 PM Loren & Mark

Loren Barrigar and Mark Mazengarb are creating quite a stir with their extraordinary guitar talent. Internationally-recognized for their very tasting picking, this duo has been setting the world on fire with their dazzling licks. There are a total of 20 fingers working at amazing speed and milking the most out of every note on the slower ballads. Don't miss this one! (\$20)

~~**Thu., Feb. 5 7:30 PM Frank Vignola & Vinny Raniolo**~~

Postponed (again due to routing conflict. To be re-schedule in March or April)

Shows are scheduled every weekend when possible. New touring artists are being added often, so keep checking for the latest scheduled shows. Local pro-level musicians representing a wide genre perform on the other weekends. We strive to offer the best musical entertainment at a low affordable price. Even some of the local artists travel nationally, so don't miss out on what we have to offer in addition to the internationally-known performers. Schedule is subject to change based on illness, weather, and/or artist routing changes.
